Established in 1990, the founders of PT. Duta Sentana Mandiri (DSM) among others are the experienced and reliable architect, interior designer and young entrepreneur.

### Company background

PT. DUTA SENTANA MANDIRI was exchange of PT. Dua Sekawan Mulia and established on June 20, 1990. The founders of the company among others are the experienced architect, interior designer and young entrepreneur who were optimistic and assure that Architectural Consultant, Interior Design and Contractor business has a good prospect.

Existence of architectural, interior design and contractor business itself as the foundation of this company has been started in the year of 1980 by some young architects and designers as a freelance designer who received work from several companies. They became part of the founders of PT. DUTA SENTANA MANDIRI.

Our main purpose is to grow and support other business activities based on a reasonable and harmonious business relationship. It has been a privilege to work with dedicated people and be part of their success stories.
